Memorandum No. 140263 Prisons I/53-1 dated 27th August, 1953.

Sub: JAILS - Central Jail, Cannanore - Convict No. 4613, Narayanan - Suicide by hanging.

Ref: From the Inspector-General of Prisons, No.171/S4/53 dated 21st July, 1953.

It has been suggested that under the Jail Rules and according to the normal practice there is a regular system of watches and patrols in the jails during night and counting of prisoners at intervals during the night and that if the rules are strictly and adhered to a certain number of cases of suicides can be detected earlier and also prevented. The Inspector-General is therefore requested to call the attention of all Superintendents of Jails to the strict observance of the rules and instructions on this subject.

J. Subbunarry,
Deputy Secretary to Government.
